Many savvy Amazon sellers use some sort of Call to Action (CTA) on their packaging insert with a QR code to get customers to scan & provide their email addresses.

I have spoken with other Amazon experts and the conclusion I found is the Warranty and FREE product CTA's are the highest converting.

ActiveCampaign is best for marketing. Klaviyo is best for eCommerce. I use both for my marketing company and my physical brand, respectively.

Thanks so much!

As always, you can't require a review but you can explain that it's highly appreciated. Also as always, have them search for your product on Amazon and order it full-price no direct links. You can PayPal them to cover the product cost.

This is the Holy Grail of Amazon. If you can achieve 1,000+ reviews and be at 4.

3+ stars, oftentimes it leads to what I call The Snowball Effect. It's like

an upward spiral of sales & reviews. Shoppers really trust products that have
