Online Horse Racing Betting:

Online sports betting is legal but not operational in Florida.

Statewide mobile betting through the Hard Rock Sportsbook app

The Seminole requested a stay on the order so they could continue offering mobile betting while the case works its way through the system, but a District of Columbia appellate court denied the stay, leaving Florida sports betting on hold indefinitely.

Florida came into 2021 with several sports betting proposals on the board.

The national greyhound industry has seen better days amid falling revenue and growing concerns over the treatment of greyhounds.

FL Stat § 849.

BetMGM horse racing is legal in Florida, but BetMGM sportsbook does not offer sports betting in the state.

There were just 29% of respondents that either strongly agreed or agreed with the notion.

What Other Changes Were Introduced?

This method of presenting losses as wins was seen as problematic by many, whilst being able to reverse a withdrawal was also a cause of concern.

“

“The final line being something of a warning to operators that the UKGC would be happy enough to introduce even further changes if there was evidence to support it, which wouldn't have been well-received by the operators themselves.

When auto-spin was an option, people would know exactly how much they were going to spend in a session.

Removing auto-play means that someone spending £1 per spin might lose much more than £50 because they won't immediately consider how much they've spent.

By no longer having that, players could just keep spinning and spending, which is surely more likely to cause them harm in the long-run? It is also entirely possible to simply use an auto-clicker, which does the same job.
