Founded as the European Cup in 1955, the annual UEFA Champions League competition is held between top-division football clubs from Europe.

First played in the 1929–30 season, Italy's Serie A is a round-robin tournament contested by 20 of the country's best football clubs.

This isn't always easy, so if you bet on Arsenal to beat Chelsea 4–2, for example, you'll get better odds than if you simply bet on Arsenal to win.

With goalscorer bets, you can bet on the first and last players to score in the match.
