Can you bet on sports if you are under 21 years old?

While 21 is the more common age limit, there are states in which you can bet on sports if you are at least 18 years old.

Each state determines its own age requirement and there are some states with different age levels, depending on the location.

In terms of sports betting, all but four states require residents to be at least

21 years old in order to take part, those being Montana, New Hampshire, Rhode Island and Washington where the age limit is 18 and over.

As for gambling in general, some states may have an age limit of 18, but at casinos that sell liquor, you have to be at least 21 years old.

Read More Sports Betting Q&A As I was so excited when I found out that I was going to be going to the poker site and getting my first online bet.

I was a huge poker fan and I have since grown to like them. I bought a new set of cards and I bet on it all the time.

I also bought some money from a couple of online gambling sites and even got some free stuff like a free online poker game.
