Our guide will discuss in detail what handicap betting is, how a single handicap bet works for football and what exactly is an Asian handicap.

But let's start with a quick summary:

However, if you're backing Arsenal and the match ends in a draw, you lose your bet.

If you're backing West Ham, you will win your bet providing they lose by a goal margin of only one.

Asian Handicap betting will aim to make each team have an equal chance of winning, so that as close to evens will be offered on each team.

But for now, let's take a look at how to place a handicap bet, which is fairly easy.

They were seen enjoying a day out together in Los Angeles.
