Don't let the name fool you-ACOP has gladly welcomed Canadian consumers to join their community since they went live on the internet in 1996. Now, over 7 million members worldwide take part in paid surveys, research projects, evaluate new products and product ideas, vote for products and services that they'd like to see in the future, and some even optimize existing products and package designs.

Daily Rewards is a surveys for money site that skips the point system and offers cash incentives paid directly through Paypal. Having a running cash balance, you'll always know exactly how much you've earned, plus they give you a free \$5.00 bonus after signing up.

They want to hear from people just like you. Earn points for giving your honest opinion on everyday products and services.
