Choose PayPal as your payment method. Or keep it there and use it via PayPal. Choose PayPal or any available method. If any suspicious activity is detected, PayPal may temporarily hold the transaction and contact the account holder for verification.

While there was a period when a PayPal deposit for online gambling in Canada faced certain limitations, recent developments suggest positive changes are on the horizon.

In addition, since making an online casino deposit is easy, this change will make gaming easier.

As Ontario has a regulated iGaming market, PayPal is allowed on AGCO licensed online casinos.

Get Paid is another application that supposedly pays you for playing games on your phone. At first glance, it's very simple to make money with this Android app.

Payout Threshold: \$0.50

This reward platform is going viral! Cash out via PayPal, Visa, Gift Cards, and in-game currencies - Click here to find out how to generate an extra \$10+ per day!

The app was developed by JustDice GmbH, a German company that operates many similar applications, such as Cash Alarm, Cash House, and The Lucky Miner.

At some point, the rewards will drop to zero, and the only way to keep earning tokens is by playing another game from scratch. Unfortunately, many users get stuck because they don't have any other option.

I advise JustDice to inform users they are not eligible for rewards any longer to avoid frustration!
