Fans that have gone to watch the world cup in Qatar will have to be careful not to go against the law, as gambling is prohibited in Qatar, writes John Bamidele. The general prohibition on betting extends to online casinos and sportsbooks as well.

Few are willing to accept betting action from the country, which renders Qataris' choice a bit limited.

That said, locals face a slightly limited choice and refuse to take bets from within Qatar.

The risk for such players is typically low, provided they wager discreetly from the comfort of their homes.

Since individual gamblers are a low priority to the authorities, some Qataris place occasional bets illegally.

The latter awards monetary prizes of \$1 million and has turned 38 people into instant millionaires.

The opposition to such activities is deeply embedded in Qatar's culture and official religion, similar to Islamic nations like Kuwait, Oman, and UAE.
