In terms of engagement rates, TikTok takes the cake among its competitors. This can be attributed to its fool-proof algorithm that filters and studies user behavior to recommend similar content, making influencer marketing a less daunting task on the platform.

The girls really went crazy with this trend #128557; fypforyoupageforyou

A glance will make you think that this is a pretty bad payout for producing content, but money is money, and those who create content for fun will be pretty satisfied with a \$40 daily payout. However, if you're looking to invest time and energy into making TikTok content and earning from it, you need to master the

TikTok game to make a good buck out of the creator fund.

Branded content may be one of the most popular ways to get paid by doing TikTok.

Macro influencers and micro-influencers benefit from making branded content by getting sent products to use for TikTok content in return for something valuable from a third party.

A study conducted by Adweek-Consult indicated that 49% of TikTok users buy the products advertised on the platform. In the survey, 15% of adults and 36% of Gen Z have been influenced by TikTok in purchasing decisions.

How much does TikTok pay for 100k views?

Ein beliebtes Beispiel dafür ist das Blackjack Switch, bei dem man immer an zwei Boxen (Plätzen am Tisch) spielt und zu Beginn einer jeden Runde die Option hat, die beiden oberen Karten miteinander zu tauschen.

Beim 21 Duel Blackjack hingegen gibt es in der Mitte des Spieltisches zwei Gemeinschaftskarten, von denen sich sowohl der Spieler als auch der Dealer entscheiden und diese auch verwenden müssen.

Neben anderen Bezeichnungen für HIT, Stand and Double sind dies vor allem die Pflicht, unter 15 weitere Karten ziehen zu müssen und dass Ass+10 oder Ass+Bild als Pontoon (Blackjack) gewertet wird.

Dafür sind die Limits für Bet Behind Einsätze deutlich niedriger als der reguläre Spieleinsatz.
