In the case of dog and virtual races, where our EPOS systems record an automatic "no more bets time", if a bet is taken after the start of an event it will still be valid if it is placed before the automatic "no more bets time";

Coral has the right to recover from you any amount overpaid and has your authority to adjust your account to reflect the true outcome and rectify the mistake.

## Enhanced Prices for Multiple Bets

Where an incorrect handicap is displayed as a result of a technical or manual inputting error, we reserve the right to settle any affected bets at corrected odds to reflect those odds that would have been available had the incorrect handicap line been offered knowingly.

For example, our shops or on-course betting facilities, may offer slightly different prices from those available at our Call Centre or on our Website/Mobile Sites. Online/Mobile

Football enhanced multiple bets apply to 90 minutes only i. never include extra time.

A decision given by the relevant Sports Governing Body, Federation, Regulator, or a referral by the latter to International Law Enforcement following a review of the activity, will be conclusive.

A portable fan that'll give you the -coolest- temperature you've ever seen.

It has an adjustable fan speed, so you can tune it to your liking! [Image] Promising review: "I've had this fan for about a month now and I absolutely love it.

The cord doesn't hang down well, so if you are short of power, I would recommend getting a power bank.

A portable blender so you can mix fruits, veggies, and other foods you want to keep in the fridge for a healthy snack.

[Image] Promising review: "This blender is really convenient and the best part is that it comes with a little funnel to mix it up.

The attachments are super handy to store and take with you when you don't have space on your kitchen counter.

I use them to make my smoothies, but it's not messy and they're not very

3d games online have completely changed the way we create and play games.

In our category of free 3d games, you have absolutely no idea where the threat is going to come from.

In a 2d game, you just move along a single line, so you have no choice but to go where the game takes you.

## Unforgettable Adventures

What if I go here? No, that's a dead end.

Some of us are born with that competitive fire coursing through our veins.

It doesn't make us mean, and it doesn't mean we're bad people. We
