## Baccarat Pattern Spotting

The grid is always six rows by multiple columns to track the wins, with the first win in the first column.

## Bead Plate Baccarat Pattern

This pattern uses a similar system as the bead plate, with the player's win in blue, the banker's in red, and a tie in green.

These beads show the winning total, with pairs indicated by a small dot.

This pattern tracking strategy only starts after the fourth entry and will indicate the repetition of the cards.

## Is Baccarat Pattern Spotting Worth It?

Of course, it's a fun way to spend an afternoon, but not nearly as helpful

as some players believe.
