Govt's new norms to help curb fake online reviews of products on Flipkart and Amazon

Consumer Affairs Secretary Rohit Kumar Singh on Monday said the Bureau of Indian

Standards (BIS) has formulated a new standard IS 19000:2022 † for Online Consumer Reviews - Principles and Requirement for their Collection, Moderation and Publication.

The standards will be applicable to any organisation which publishes consumer reviews online, including suppliers of products and services that collect reviews

from their own customers, a third party contracted by the supplier or an independent third party.

The BIS has also listed out the steps for verification of a review author.

According to Singh, there are penal provisions in the Consumer Protection Act for unfair trade practices.

However, fake reviews and star-ratings mislead consumers into buying online products and services.

The secretary said that companies like Zomato, Swiggy, Reliance Retail, Tata Sons, Amazon, Flipkart, Google, Meta, Mesho, Blinkit and Zepto were part of the consultation process and they have assured compliance with these standards.
