An odds boost pumps the potential payout on certain bets in favor of the bettor in order to generate interest in wagering.

Although the bill gains little traction, it indicates that at least some Maryland lawmakers already entertain a positive viewpoint about the legalization of sports betting in the state.

Gambling for monetary or property gain is illegal under Chapter 23 of the Criminal Act of South Korea.

Many locals from South Korea do not have ready access to casinos and poker rooms

despite the country's collection of brick-and-mortar casinos.

The country has 30 land-based casinos and three horse racing tracks in the country.

For this reason, online betting is popular amongst the locals.

Local gamblers do not have many gambling activities they can engage in.

The first legal lottery, the House Lotto, was introduced in 1969 and lasted for two decades.

The seventh number is drawn stands as an extra ball.
