To enter a Mark Six draw, players have to choose six numbers from a pool of 1 to 49.

Each player must be over 18 years old to enter. Players can choose to play online or buy their tickets from an official HKJC betting branch.

1 + 2 + 3 + 5 + 6 + 7

If you want to create your own multiple entry, take a look at our Generator which can tell you how many lines you would need to buy depending on the amount of numbers you want to enter.

Self-Select Banker Perhaps the easiest form of entry, quick-pick is when your numbers are automatically generated for you, taking the difficult decision of choosing the numbers out of your hands.

You can also use the quick-pick method to have your multiple or banker entries created for you by choosing the amount of numbers you want to enter or the number of bankers you wish to add.

To play online you must already have a betting account with the HKJC.

Use this extra boost to bet on the Miami Marlins or the Florida Gators.

It is great to have this personalized approach to sportsbooks.
